# Sun Devil Wrestling is back!

**The Sun Devils are ready to start their highly anticipated 2024-25 season, their first in the vaunted Big 12 Conference and the 11th of the Zeke Jones era.**

Defending national champion Richard Figueroa returns, seeking to become just the fourth in team history to win a second NCAA title, and Cohnton Schultz is aiming for a program-best fifth All-American honor.

Under Jones, the Sun Devils have established themselves as one of the nation's premier programs.

Five of the team's eight NCAA qualifiers from last season are back in addition to eight talented newcomers.

## Get to Know Coach Dillingham

Now in his second year, Sun Devil head coach Kenny Dillingham, at age 34, is the youngest head coach in Football Bowl Subdivision (FBS). He's also the first Arizona State alum to be named head coach of the football program.

Throughout his coaching tenure, the Scottsdale native has coached four NFL draft picks, an All-American and 11 All-Conference Selections prior to joining ASU. He has been a part of six bowl games, two with the Sun Devils as an offensive assistant.

Dillingham returned to Tempe after building his resume with a track record of impressive tenures at Memphis, Auburn, Florida State and most recently as the offensive coordinator at the University of Oregon. At Oregon, he was a nominee for the 2022 Broyles Award, presented annually to the top assistant coach in college football.

Under Dillingham's guidance, Oregon quarterback Bo Nix heard his name in Heisman Trophy conversations across the season.

As an offensive assistant in 2014, Coach Dillingham was a part of a prolific offense that ranked 13th in the nation with 5,750 total yards and 34 touchdowns.

Dillingham is considered a brilliant offensive mind, and success has followed him wherever he has gone.

In 2018, he helped the Memphis Tigers rank 4th in the nation in total offense. His offense racked up 7,324 total yards, including 3,919 rushing yards.

The following year, in 2019, he helped the Tigers to a 9-3 record and an Outback Bowl appearance and win against football powerhouse No. 5 Alabama.

# Sun Devils® in the NFL

## Super Bowl Sun Devils

The Sun Devils have had some great history with the Super Bowl.

Arizona State All-American Terrell Suggs was a part of the Kansas City Chiefs Super Bowl LIV in February of 2020, giving him a pair of NFL titles after previously earning a Super Bowl ring with the Baltimore Ravens back in 2013.

With Suggs helping lead Kansas City to a victory on the biggest stage in professional sports, the Chiefs became the 32nd Super Bowl-winning team to feature a Sun Devil. An incredible 34 Super Bowl rings have been earned by Sun Devils, two of them on the hand of Terrell Suggs. ## This is Sun Devil Football

### Territorial Cup®

Thanks to a historic find in a church basement several years ago, Arizona State University and the University of Arizona can now claim the oldest intercollegiate rivalry trophy in the nation. The Territorial Championship Cup®, which has been registered with the NCAA, was first presented to Tempe Normal School (now ASU) on Nov. 30, 1899, following an 11-2 victory over the University of Arizona at Tucson's Carillo Gardens Field. The Territorial Cup® was lost for a time and was discovered years ago in the basement of a church that was being demolished. According to the NCAA, the previous oldest trophy was the Michigan/ Minnesota Little Brown Jug which dates back to 1909.

### The Mascot

On Nov. 8, 1946, the students of Arizona State College voted 816 to 196 in favor of changing the school's nickname from the Bulldogs

to the Sun Devils. Phoenix attorney Walter E. Craig contacted a former classmate, Berk Anthony, who was an artist employed by Walt Disney Studios. Anthony designed the Sun Devil free of charge.

### The Gear

Since July 2015, Sun Devil Athletics has partnered with adidas with a goal of advancing the brand, including the use of iconic logos like the Pitchfork as well as historic logos like Sparky and the interlocking AS. The partnership with adidas set the standard for apparel contracts by creating provisions to adapt for the addition of sports and dollars allocated towards marketing and facility upgrades. The company has also shown its investment in Sun Devil student-athletes, giving them the opportunity to test and provide feedback on its latest performance gear prior to release.

America Stadium – the only college football stadium located between two mountains. Just to the west of Mountain America Stadium is A Mountain. Originally installed on Tempe Butte in 1918, the letter has been changed from a T to an N to the A of today as the name of the school has changed. In 1952, a bomb destroyed the

letter, but in 1955, the present A, which stands 60 feet tall, was built using reinforced steel and poured concrete.

**Pat's Run is an annual running event held in Tempe, Arizona in honor of Pat Tillman — namesake of ASU's The Pat Tillman Veterans Center.**

A former NFL player who left his professional football career to enlist in the United States Army after the September 11 attacks, Tillman was killed in Afghanistan in 2004 due to friendly fire.

Pat's Run has grown significantly since its inception and attracts thousands of participants each year, including military personnel, veterans, athletes, and community members, all coming together to honor Tillman's legacy and support a worthy cause.

The run consists of a 4.2-mile race, which symbolizes Tillman's jersey number when he played football for Arizona State University. The event serves as a fundraiser for the Pat Tillman Foundation, which provides scholarships to military veterans and their spouses.
